Registered Charity # 815359211

Dear Friend,

ACRT is a local, registered charity that provides essential medicine, food, and services directly to at-risk communities globally. Our associates at Allianza church Arauca, Colombia sent **an urgent request for our travel team to help provide Nutritional kits and mobile clinic to serve about 300 children and adults affected by the Venezuelan Refugees.**

ACRT teams can address these needs due to our flexibility and experience in providing point-of-care services, particularly to remote areas, and is made up entirely of volunteers. These volunteers tirelessly fundraise for each destination the travel team responds to. Due to the urgency of this request, we are asking for your financial support so that we may be able to address this desperate situation in the most expedient manner (August 2023). We are counting on our friends and supporters to help us meet this challenge. Please consider this urgent request to become partners in our mission to Colombia.

FUNDING AREAS NEEDED:

Medical Supplies. \$3000 (HIV test kits, glucometer test stripes and machine, BP machine)

Nutritional kits and food (each care basket \$25 x300= \$7,500)

Thank you for your consideration and/contribution!
